

Act! is Still the One

#1 Best-Selling Contact & Customer Manager

Get it together

Think of Act! as your business 'command center,' giving you control to quickly tap into all relationship details, seamlessly interact with productivity and social tools you rely on every day, and leverage integrated emarketing services¹ that take the guesswork out of when, where, and how to engage with prospects and customers – all from within Act!.

Seamlessly interact with the business and social tools you rely on – like Office, Outlook®, Google™, Facebook®, and LinkedIn® – conveniently, right from within Act!. Marketplace solutions extend the power and possibilities of what Act! can do for you, and integrations with popular accounting solutions² provides visibility to payment status, open quotes, and sales orders for a holistic customer view.

Marketing = Selling

Integrated emarketing services¹ enable you to easily segment your prospects and customers, then design, send, and track professional, eye-catching email campaigns that reach the right customers with the right message. Intelligent call lists automatically recommend hot leads to follow up with to generate sales.

Selling effectively depends on everything related to your contacts and calendar being in one organized place – including phone numbers, emails, meeting notes, to-dos, and documents – for everyone you do business with. With Act!, you're informed and prepared for every interaction with your customers, both in the office and on popular mobile devices³. Automating best practice processes within Act! ensures you have more time to focus on growing your business and delighting your customers.
